

Ekote Sport & Green Mini Hi K

12-4-19-4 (2-3 month)

- High Potassium aids disease resistance & turf repair.
- Made in Holland. Patented, state of the art production.
- Mini size 1.8mm granule perfect for low cut tees, greens, tennis courts & profile areas.
- Added Magnesium produces excellent colour.

Ekote Sport & Green Mini Hi K is a specialised, controlled release fertiliser high in potassium with added magnesium. The nitrogen is released in a controlled manner over a period of 2-3 months reducing leaching risk and improving nutrient use efficiency. The high potassium formulation with additional magnesium stimulates photosynthesis and promotes bright green playing surfaces. Potassium also aids in disease resistance and assists quicker turf repair from high traffic use. High Phosphorus increases energy production in the plant and encourages new root development, ideal after renovations.

Specification

Average granule size	1.8 mm
Longevity at 15°C	3-4 Months
Longevity at 21°C	2-3 Months
Longevity at 30°C	2 Months
Colour:	white/grey/ivory
Coating material:	organic polymer
Coated N of total N:	40%
Coated P of total P:	0%
Coated K of total K:	0%
Packaging 25kg bags	

Analysis

12%	Nitrogen (N) total
0.50%	Nitrogen as ammonia
11.5%	Nitrogen as urea
4.3%	Phosphorus (T) total
2.6%	Water soluble
1.7%	Citrate soluble
19%	Potassium (K) total
6.4%	Potassium as sulphate
12.6%	Potassium as Chloride
1.8%	Magnesium as sulphate
4%	Sulphur as sulphate

Application Rates

Turf	250 - 300kg/Ha
------	----------------

APPLICATION RATES ARE A GUIDE ONLY

We recommend soil and plant tissue testing before any application. Rates are dependent on crop, climate, soil and management practices.

Store in unopened original packaging in a dry place protected from frost, heat or direct sunlight. Once opened reseal tightly and keep in a dry place.

Caution: Harmful if swallowed. Do not inhale. Keep out of reach of children. Safety data sheet available upon request.

Please contact your Baileys Area Manager for pricing, product and application advice.
