*inc. Blood and bone, Zeolite, Humates

Application Calendar

(best applied during growing season)

AVAILABLE 20KG, BULK BAGS + BULK

Lush Growth

A balanced blend of essential organic materials and nutrients encourage, lush, dense and vigorous turf.

Root Network

The high Potassium and Calcium supports rooted development, improving the turfs drought resistance and overall health.

Strong Turf

High Calcium and Iron contribute to stronger cell structures in the grass, improving turf quality and appearance.

Nutrient Retention

The added Zeolite helps retain nutrients in the soil, minimising the risk of leaching and ensuring longer fertiliser impact.

Application Rates

Contact your Bailey's Representative for further details.

KG/HA	KG ACTUAL N/ha
200kg	28kg
250kg	35kg
300kg	42kg

Apply to dry area and irrigate after application. If no irrigation, apply when rainfall is evident.

Energy Range

- An organic based fertiliser with all essential macro and micro nutrients plus soil amendments.
- Suitable for turf and horticultural use.
